#### DISCLAIMER

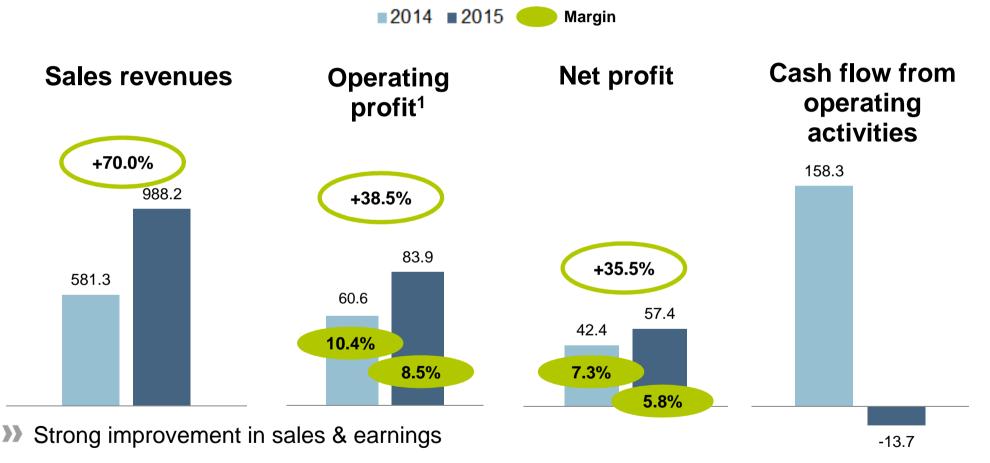

This presentation has been prepared independently by Dürr AG ("Dürr").

The presentation contains statements which address such key issues as Dürr's strategy, future financial results, market positions and product development. Such statements should be carefully considered, and it should be understood that many factors might cause forecast and actual results to differ from these statements. These factors include, but are not limited to, price fluctuations, currency fluctuations, developments in raw material and personnel costs, physical and environmental risks, legal and legislative issues, fiscal, and other regulatory measures. Stated competitive positions are based on management estimates supported by information provided by specialized external agencies.
