

Help for children in need: Dürr Group donates €60,000 to UNICEF

Bietigheim-Bissingen, December 06, 2022—The Dürr Group is supporting the United Nations Children’s Fund (UNICEF) at Christmas time with a donation of €60,000. In this way, the company is continuing the practice of previous years and, true to the motto “Donations instead of gifts”, is once again foregoing Christmas presents for customers and business partners. The amount donated will go to an aid project for malnourished children and their families in East Africa.

Dr. Jochen Weyrauch, CEO of Dürr AG: “Social commitment is an integral part of our corporate culture. Supporting children in need is especially close to our hearts. That is why we are donating to UNICEF again this year. With this money, we want to make a contribution against hunger and malnutrition children in East Africa, giving them a better future.”

Another tradition the Dürr Group adheres to is its participation in the “Aktion Weihnachten” Christmas campaign organized by the Stuttgarter Nachrichten newspaper. The donation of €2,000 will benefit people from the Stuttgart region who are experiencing social hardship.

About UNICEF

UNICEF is active in over 190 countries worldwide. For more than 75 years now, the United Nations’ children’s charity has been implementing effective programs and exerting political influence to ensure that children are well cared for, can go to school, and are protected against violence.

This publication has been prepared independently by Dürr AG/Dürr group. It may contain statements which address such key issues as strategy, future financial results, events, competitive positions and product developments. Such forward-looking statements are subject to a number of risks, uncertainties and other factors, including, but not limited to those described in disclosures of Dürr AG, in particular in the chapter "Risks" in the annual report of Dürr AG. Should one or more of these risks, uncertainties and other factors materialize, or should underlying expectations not occur or assumptions prove incorrect, actual results, performances or achievements of the Dürr group may vary materially from those described in the relevant forward-looking statements. These statements may be identified by words such as "expect," "want," "anticipate," "intend," "plan," "believe," "seek," "estimate," "will," "project" or words of similar meaning. Dürr AG neither intends, nor assumes any obligation, to update or revise its forward-looking statements regularly in light of developments which differ from those anticipated. Stated competitive positions are based on management estimates supported by information provided by specialized external agencies.

Our financial reports, presentations, press releases and ad-hoc releases may include alternative financial metrics. These metrics are not defined in the IFRS (International Financial Reporting Standards). Net assets, financial position and results of operations of the Dürr group should not be assessed solely on the basis of these alternative financial metrics. Under no circumstances do they replace the performance indicators presented in the consolidated financial statements and calculated in accordance with the IFRS. The calculation of alternative financial metrics may vary from company to
