

## Help for children in crisis areas: Dürr Group supports UNICEF emergency aid with €60,000 donation

Bietigheim-Bissingen, December 6, 2023 — The Dürr Group is donating €60,000 to the UNICEF United Nations Children's Fund again this year. Thus, true to its motto “Donations instead of gifts”, the company is once again foregoing Christmas presents for customers and business partners. The money is used to support UNICEF emergency aid missions, providing children in crisis areas with vital supplies such as drinking water, medicines, and clothing.

Dr. Jochen Weyrauch, CEO of Dürr AG, states: “The year 2023 has been marked by numerous crises. Children, in particular, have been suffering from the consequences of natural disasters and wars. Through our traditional Christmas donation to UNICEF, we want to make a contribution to protecting children in crisis areas from disease and hunger.”

### About UNICEF

UNICEF is active in over 190 countries worldwide. For more than 70 years now, the United Nations’ Children’s Fund has been implementing effective programs and exerting political influence to ensure that children are well cared for, can go to school, and are protected against violence. Every year, UNICEF carries out around 300 emergency aid missions in war and crisis areas, such as Ukraine or Yemen.

This publication has been prepared independently by Dürr AG/Dürr group. It may contain statements which address such key issues as strategy, future financial results, events, competitive positions and product developments. Such forward-looking statements are subject to a number of risks, uncertainties and other factors, including, but not limited to those described in disclosures of Dürr AG, in particular in the chapter "Risks" in the annual report of Dürr AG. Should one or more of these risks, uncertainties and other factors materialize, or should underlying expectations not occur or assumptions prove incorrect, actual results, performances or achievements of the Dürr group may vary materially from those described in the relevant forward-looking statements. These statements may be identified by words such as "expect," "want," "anticipate," "intend," "plan," "believe," "seek," "estimate," "will," "project" or words of similar meaning. Dürr AG neither intends, nor assumes any obligation, to update or revise its forward-looking statements regularly in light of developments which differ from those anticipated. Stated competitive positions are based on management estimates supported by information provided by specialized external agencies.

Our financial reports, presentations, press releases and ad-hoc releases may include alternative financial metrics. These metrics are not defined in the IFRS (International Financial Reporting Standards). Net assets, financial position and results of operations of the Dürr group should not be assessed solely on the basis of these alternative financial metrics. Under no circumstances do they replace the performance indicators presented in the consolidated financial statements and calculated in accordance with the IFRS. The calculation of alternative financial metrics may vary from company to company despite the use of the same terminology. Further information regarding the alternative financial metrics used at Dürr AG can be found in our [financial glossary](#) on the web page.
